**American Traffic Solutions Fleet Services Unit Acquires Rent A Toll®**

*Foremost automated toll payment solutions providers to join forces, broaden service offerings*

**SCOTTSDALE, ARIZ. – June 26, 2014** – ATS Fleet Services, a leader in toll and violation management solutions, has acquired all the assets of Carrollton, Texas-based Rent A Toll, a provider of toll management solutions to rental car companies and corporate fleets. All Rent A Toll personnel will join ATS Fleet Services, including President and CEO Rick Welch.

“Everyone at Rent A Toll is excited to join the world class organization at ATS Fleet Services,” Welch said. “Since 2004, Rent A Toll has worked to provide excellent toll payment solutions to fleets and rental car companies throughout the United States and Puerto Rico. Combining the two companies’ strengths, teams and technologies will cultivate even higher levels of customer service and continued expansion of our solutions to additional U.S. toll markets.”

“Rent A Toll has been a terrific service provider for the fleet and rental car tolling industries,” said Adam Draizin, ATS Fleet Services President and Executive Vice President of American Traffic Solutions. “Together, we share the commitment of delivering results for our customers. This acquisition will broaden ATS’s offers and reach.”

**About Rent A Toll®:**

*Prior to its acquisition by ATS Fleet Services, Rent A Toll was a privately held technology services company located in Carrollton, Texas, that specialized in automated toll payment solutions for car rental companies, car renters and corporate fleet administrators. The company was founded in 2004 on the premise that every traveler’s time is valuable and that every traveler should have valid access to toll road express lanes. Rent A Toll’s toll solutions focus on guaranteeing toll payments to the toll authorities, eliminating rental car and fleet vehicle violations and providing safe and convenient access to express toll lanes for the traveler.*
